

**SUMINOE**  
INDUSTRIES CO.,LTD.

**Company Profile**

# We aim to be a warm-hearted company which contribute continuously to a comfortable life of human beings and the society.

- Company Philosophy -

We devote ourself solely to our belief,

“ To produce the seats which can satisfy customers’ requirements”.

As a specialized seat manufacturer in the world who has our own development capabilities against non mass-production, we continue to make our utmost efforts to raise the current value of the company as well as a human being.
